ABOUT SOCIAL STARTUPS IN RESIDENCE

Social Startups in Residence is a transnational social business incubation program by Social Impact GmbH funded by Drosos Foundation. The main objective is to give young adults from Spain and Portugal theoretical input as well as entrepreneurial skills and networks in order to start a social business in their home regions.

The scholarship consists in a cost of living allowance and housing in the amount of €3.600 as well as consulting, coaching and a co-working space worth a total of €12.500.
